Application for
OrthoGraph Edu Licence
for Teachers and Students

Application is available for teachers, instructors, course leaders, students or individuals with student status. OrthoGraph software can be used for 6 months free of charge as long as the below terms and conditions are kept.

Steps to apply for a teacher/student version:

1. The teacher/course leader should send an application to the e-mail address info@orthograph.net with a syllabus of the relevant course during which OrthoGraph will be dealt with.

2. The teacher/course leader should comply a list of names and e-mail addresses of instructors and teachers who would be using the software – in order to validate the licenses, it is imperative that the submitted data is accurate.

Terms and conditions

Who may use the teacher/student version?
Any individual who either has a student status, or employed as a course leader, instructor, teacher, or scientific partner at any educational institution of the following fields: civil engineering (structural engineering, traffic engineering) architecture, interior design, interior decoration.

How to access the student version?
After the application, the software should be downloaded.

Support:
There is a number of available online and offline support and training material available in English.

Required devices:
OrthoGraph currently runs on iOS platform. The supported devices are: iPad 3, iPad 4, iPad Air, iPad Air 2, iPad Mini.

Renewing the license
The license is valid for 6 months (1 semester). Once the license expired, simply repeat the application procedure in order to have access to the software for another semester.

License validity
The license is valid for the current version which is available at the time of application, and it does not cover versions which are made available after the application was made. If there is a need to use a more recent version, the application should be repeated.

Updates
OrthoGraph student version cannot be updated, the license authorizes the user to gain access to the current version. If there is a need to use a more recent version, the application should be repeated.

Users of the student licenses are prohibited from:
- Using the software for industrial or commercial purposes
- Giving access to it for/handing it over to third parties
- Modifying without the proper permission

Declaration: I declare that I shall use the software for educational and research purposes only, I shall not sell, modify or hand it over to third parties.
